Fire Clean

Insurance Repair Specialists

653 Touhy Avenue

Elk Grove Village, IL. 60007

Attn: C. Jurica, J. Jurica, R. Samuel

An eighty-seven unit building had to close its doors for many months due to a fire which totally made the mechanicals inoperable, and units not habitable.

Fire Clean was called in and immediately the building was secured and you started the functions necessary i.e. permits, etc., to get the building up and running.

Your staff personnel i.e. Fred, Linda, Shanty, etc. were above and beyond cooperative and worked extremely well with the owners of the property which were many in number going and coming to monitor progress.

With the treatment you gave this "Grand Old Dame" building of forth-one years I think you should be able to take anything on.

Good luck on future work. I know you will do a great job.

Respectfully

A handwritten signature in cursive script that reads "Joan Anderson".
