Chris and Jay

I would like to thank your company, FIRECLEAN Restoration, for a job well done on finishing the repairs to our business location. It is well appreciated that my employees were able to continue to work and we experience no business interruption while your company completed the repairs.

Your company has shown diligence and dedication in finishing the repairs in a timely manner, once again making our company a showpiece.

Again, I would like to express my gratitude on a job well done. We would not hesitate to refer FIRECLEAN Restoration to future claims that are also in need of QUALITY services from a contractor.

I hope that this would be the start of our continuous relationship and future success

Sincerely,

William A. Senchuk
